Contract start and duration: The parties agree to a minimum contract period of 12 months from the ready for service date. Thereafter, the contract may be terminated by either party with 2 months' notice to the end of the billing period (annual billing: at the end of the 12-month billing period; monthly billing: at the end of the 1-month billing period). Payments already made will not be refunded (exception: moving outside of Switzerland, death of subscriber, change of subscriber). The service is taken over under the same conditions as by the previous tenant. Please note that with the use of Zattoo Home, only the internet service is directly transferred; the new subscriber can subscribe to Zattoo TV directly using this form. This is a permanent contract until the date of cancellation.
